DESIGN EXPERIENCE

Dallas College — Adopt a Grandparent Project Jan 2025 – Mar 2025

Accessibility-focused redesign for a platform serving older adults

UX/UI Designer & Researcher

- Conducted user research to uncover navigation and readability pain points for older adult users, producing personas and journey maps
- Redesigned desktop interface with simplified navigation, improved type hierarchy, and WCAG-aligned contrast ratios
- Created annotated wireframes and a Figma prototype; presented design rationale and findings to peers and faculty
- Collaborated on messaging and advertising framing to align with user needs and accessibility goals

Portfolio case studies: USPS Modernized · Pinterest Redesigned — kelvinkyeremeh.com

WORK EXPERIENCE

CVS Health Feb 2024 – Present

Pharmacy Technician

- Delivered high-volume, patient-facing service requiring precision, empathy, and clear communication under pressure
- Managed concurrent workflows — prescription intake, data entry, inventory, and customer support — while maintaining accuracy in a regulated environment
- Consistently applied feedback from pharmacists and supervisors to improve efficiency, communication, and service quality

UT Southwestern Medical Center Feb 2022 – Feb 2024

Nutrition Services

- Collected and confirmed patient meal orders with strict adherence to dietary restrictions and allergy requirements
- Gathered real-time feedback from patients and adapted orders to meet evolving medical and personal needs
- Maintained accuracy in a high-stakes environment where attention to detail directly impacted patient safety

The Home Depot Jun 2019 – Jan 2022

Customer Service Associate

- Guided customers through digital tools and online ordering, simplifying complex processes for varied user types
- Resolved returns, delivery issues, and website concerns with clear, patient communication
- Helped older and less tech-savvy customers navigate digital platforms — directly paralleling inclusive design thinking

EDUCATION

Western Governors University, Dallas, TX 2025 – Present
